Private English Teacher Moscow

English teacher, Governess and Tutor.

I have been working as an independent English teacher/tutor for various schools, agencies and individuals throughout Moscow for, more than 6 years. I have taught students of all proficiency levels and age groups. My duties mainly include: lesson planning and preparation, diagnostic and continuous assessment of students, preparing students for international exams (PET, FCE, TOEFL and IELTS) and basic administration such as keeping student registers and attendance records.

I have worked as a Kindergarten teacher and a governess for private families.
